

THE Goiner^y

grow share belong

It started like all big plans do: with a simple idea.

Back in 2015, we saw the rundown old bus station on Franklin Street and knew we could turn it into a community hub with a sustainable heart.

And – with our supporters backing us all the way – we did it.

As the ‘front door’ for our state’s environment, the Joinery has become a warm, welcoming centre for all South Australians to grow, share and belong.

Join us!

Welcome home

Outdoor areas

Whether it's a candlelit dinner with friends surrounded by greenery, or a cocktail party with live music amongst the lights of Adelaide's city skyline, there's space for everyone in the Common Ground Community Garden.

Boardroom

Nestled on the second floor of the Joinery overlooking the skyline of Adelaide Central Market, our spacious boardroom is kitted out with everything you need to make your committee meeting, workplace training or video conference pop.

Exhibition Space

From large-scale community forums to sustainability workshops, from wine tasting to choir rehearsals, from fitness classes to art exhibitions, from cabaret shows to press conferences – the only limit to this space is your imagination!

Seminar Room

Our seminar room has hosted multi-day workshops, business training sessions, AGMs, yoga classes, film nights, keynote presentations – and so much more. With a full AV suite and flexible seating, it's the perfect spot for your next event.

THE *Joinery*

your home in
the heart of
the city

30,000+
visitors

240+ events
every year

award-winning
food and coffee

30+ amazing
volunteers
